CAPACITI

I'm a graduate in Software Development. My journey so far has been a mix of curiosity, learning, and collaboration.

Beyond my technical skills, I bring a positive attitude (and a bright smile!) to every project I take on

If you're looking for someone who's eager, adaptable, and ready to take on exciting challenges, let's connect—I'd love to hear from you!

Education

- **Eduvos: Bachelor of Science in Information Technology – Software Engineering** (2021 – 2023)
- **Milner High School** (2016 – 2020)

Work Experience

- **Web Development Intern** – CapaCITI (Dec 2024 – Present)
- **Software Development Intern** – EliteX Academy (Dec 2023 – Jan 2024)
  - Developed a web application for a client, gaining hands-on experience and enhancing technical skills.

Achievements and Key Projects

- **GirlCodeZA Mentee:** May 2024 – July 2024
- **English Teacher (Idioma Internacional & A+ Academy):** March 2024 – December 2024
- **Portfolio:** https://mphoitumeleng-portfolio.netlify.app/
